

Bonjour Martin,

Thank you so very much for our new Smeg Glass Washer. Since having it installed, we have found the glassware is coming straight out of the Glass washer so much cleaner. You have supplied TC's Bar at The Sofitel with an excellent washer which is perfect for our little bar. Thank you also for your ongoing support since installing the washer. There's not too many tradesmen if any that will come back & check on their customers the way you do, it's greatly appreciated. I have to say I would highly recommend you to anyone in need any commercial kitchen services. You give Five Star service every time.

Merci
Narelle White
